The Cumberland, Franklin and
Fulton County Conservation
Districts are presenting this workshop
for contractors to provide information
on Post Construction Stormwater
(PCSM) requirements and design
concepts. We will discuss erosion
control (E&S) regulations and
requirements which pertain to the
earthmover. A panel discussion
consisting of contractors, engineers and
District staff will be organized to
discuss what each player needs in the
development and construction of a
successful, well-managed project.

*We would like to extend our appreciation
to Volvo for the use of their facility.*
