

YBWA 2012 Calendar of Projects and Events

January -February Membership renewals and presentations

March 1-3, 2012 Capital Area Science and Engineering Fair

March 31, 2012 Opening Day Trout Season

United Water PA Raybold Plant- Slate Hill and Limekiln Road 6AM - 1PM

Fishing and food for anglers of all ages

April 2012 Project Clean Stream

Lead or join a team to clean up the litter before it blows or washes into the creek. Groups clean land areas in neighborhoods and along area rural roads adjacent to a tributary or the creek. All supplies are provided by the YBWA and ACB.

April 28, 2012 Rain Barrel Workshop

Lower Allen Township Park Gardeners Gathering 10AM-1PM

June 2012 Youth Sojourn

Three-day and two-night totally immersed outdoor recreational fun and scientific learning adventure on the creek.

Summer 2012 River Cleanup

Lead or join a group on the water to clean up the creek. We encourage area groups to organize clean up events and Adopt-a-Stream-Segment from our YB Water Trail Map.

Year-round Activities

Volunteer Stream Monitors

Equipment and training provided. Volunteers welcome.

Kiosks - Message Centers

Maintain bulletin boards along the Yellow Breeches Creek.

Website Updates / Newsletter

Township and Borough Festivals

We have many projects that would protect, improve, and preserve the quality of the PA Scenic River and watershed that is in our care. We need you and your friends to actually make it happen. Please join us.
